PROFESSIONAL SUMMARY

Frontend Developer with hands-on experience building responsive web applications using React.js, JavaScript (ES6+), HTML5 and CSS3. Skilled in React Hooks, Redux, React Router, Tailwind CSS, reusable components, state management and REST API integration. Brings 2 years of professional experience at Tata Consultancy Services with strong analytical, debugging and problem-solving skills. Seeking to contribute to scalable, user-focused web applications.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js

React: Functional Components, Props, State, React Hooks, useState, useEffect, Custom Hooks, Context API, Redux, React Router

Styling: Tailwind CSS, Responsive Web Design.

Tools: Git, GitHub, Jest, CI/CD Pipelines.

Concepts: Component-Based Architecture, State Management, Asynchronous JavaScript, Debugging

PROJECTS

Food Ordering Web Application - Shuggy

React.js, Redux, React Router, Tailwind CSS, REST API

[GitHub](#) | [Live Demo](#)

- Built a responsive food-ordering application using React.js and reusable functional components.
- Integrated REST APIs to fetch and render dynamic restaurant and menu data.
- Implemented search, filtering and client-side navigation using React Router.
- Used Redux for cart state management and Tailwind CSS for responsive UI development.

Employee Logger Tool

React.js, JavaScript, HTML5, CSS3 | TCS Project

- Developed a web-based employee logging interface using reusable React components.
- Implemented state and event handling using React Hooks for user interactions.
- Collaborated with team members to understand requirements, resolve issues and improve usability.

PROFESSIONAL EXPERIENCE

Assistant System Engineer — Tata Consultancy Services (TCS) | 2024 – Present

- Worked as a CAE Engineer, developing analytical, debugging and structured problem-solving skills through real-world engineering projects.
- Collaborated with cross-functional teams to understand requirements, resolve issues and deliver project objectives.
- Independently upskilled in frontend development and built React.js applications using JavaScript, Redux, React Router, Tailwind CSS and REST APIs.

EDUCATION

Bachelor of Engineering - Mechanical Engineering (2020-2024)

RMK Engineering College, Autonomous, Chennai.

8.95 GPA

CERTIFICATION & ACHIEVEMENTS

- Namaste React – Namastudev.com
- The Complete Full-Stack Web Development.
- On The Spot Award – 4
- Learning Achievement Award.
